

Our Manifesto

This document sets out the headline focus of WSCIC.

The Place

To position Winckley Square and the surrounding area as a thriving and desirable place to visit, live, invest and locate a business, building a committed group of stakeholders.

Winckley Quarter

To promote the area as a historic quarter while being a destination /place for residential investment, restaurants, cafes, independent businesses and high-quality service providers.

To ensure this key public asset remains accessible by generations to come.

To encourage walkers and cyclists to feel welcome and safe here.

Public Realm

To work with partners to secure investment into improving pathways and roads in and around the Winckley Quarter.

To seek further investment to strengthen links throughout the Quarter/City including specifics such as clearer signage, walking and cycling friendly features

Friends of Winckley Square (FoWS)

To support the Friends of Winckley Square (FoWS) and help recruit volunteers to maintain a strong and sustainable management team.

Events Calendar

To work with our partners and form a co-ordinated calendar of inclusive and relevant events, attracting visitors and promoting the area.

To maintain and enhance a website that will play its part in the above.

Maintenance plan and Security

To work with Preston City Council, Lancashire County Council and FoWS to create a dedicated plan that will maintain the Gardens' high-quality appearance throughout the year.

To work with Preston City Council, Lancashire County Council and other partners to ensure the gardens and surrounding area are safe and secure.

Representation

To continue to reflect the views and aspirations of Winckley Square and Quarter stakeholders.
